

MOBILITY

Mobility Deep Cycling Power

Enirgi Power Storage supply a range of Ritar deep cycle batteries designed for use in mobility scooters. Specially constructed for frequent deep cycle discharge, they offer very reliable performance in high load situations thanks to the highly engineered active material and strong grids. Ritar batteries provide safe and intelligent power and will stand the test of time.

Enirgi's team of Battery Specialists have the knowledge and experience to provide the best power storage solution for your situation.

Mobility Range

Range	Battery Type	5 hr Rate AH	10 hr Rate AH	20 hr Rate AH	Weight (KGS)	Dimensions		
						L	W	H

Environmental Services

LOCAL

Enirgi Power Storage offers a complete national network covering dozens of locations, each manned by experienced team members who thrive on delivering outstanding service by partnering with our clients' businesses. We know that it's the people who make the difference which is why we are Your Battery Specialists.

SALES & SUPPORT

At Enirgi Power Storage we strive to partner with you in driving success for your business. The Enirgi Connect Sales & Support Centre is available to answer any query you may have. In addition to our local team members, the Enirgi Connect team can assist with all sales orders, used battery collections and product/technical inquiries.

Timely and accurate deliveries are critical in providing the best service to your customers. The team can work through the product range with you to deliver an optimal sales experience. Combining the functions of our local team members and Enirgi Connect ensure you get the right product for your customer when you need it!

Australia's only full lifecycle battery partner

- ✓ Nationwide battery collection network of over 12,000 collection points
- ✓ World-class, modern facility in NSW recycles more than 97% of a used lead acid battery
- ✓ Only nationally EPA compliant used battery collection & recycling program
- ✓ Environmental accreditation ISO14001 collection network
- ✓ Full lifecycle partner convenience

COLLECTIONS

As legislation addresses the processes surrounding used batteries, Enirgi Power Storage ensures safe, prompt and legal transportation of used batteries. Lead based batteries are processed in our own Australian EPA compliant recycling facility. Our team are ready to book your cost-free collections today.
