## Advanced Technology Marine Battery Range

Your boat can experience harsh and unexpected conditions, Enirgi Power Storage's wide range of marine application batteries ensure high performance in any situation.

Enirgi's range of Marine Starting batteries are designed to endure the rigours of boating. The X-Frame™ Grid technology guarantees reliable starting power while the vibration resistant design ensures longevity. Safety is maximised with the premium spill proof and maintenance free design.

At Enirgi Your Battery Specialists can supply the right battery solution to ensure you're ready for your next boating adventure!

### BATTERY STRUCTURE

- 1 X-Frame Grid Technology and Grid Protection Technology
- 2 Enveloped separator for low electric resistance
- 3 Advanced centre lug technology and cast-on strap
- 4 Sealed double lid with flame arrestor
- 5 Integrated, computer-designed and reinforced container
- 6 Magic Eye Indicator (Conveniently displays state of charge)

## Deep Cycle & Lithium Ranges

As your Battery Specialists, Enirgi supply the highly regarded Trojan range. These batteries have world leading technology and reliability. Our new L3000+ Lithium Enirgi battery weighs around 40% less and offers up to 20 times longer cycle life than a regular lead acid battery.

## GLOBAL

Incorporated in 2010, Enirgi Group is a privately held multinational conglomerate with world-class assets including the Power Storage Division with its headquarters in Melbourne. We value all relationships with our business partners as they are the critical element within this unique global story.

### OUR DIVISIONS

Power Storage

Advanced Materials

Innovation

Chemical

Environmental Services

## LOCAL

Enirgi Power Storage offers a complete national network covering dozens of locations, each manned by experienced team members who thrive on delivering outstanding service by partnering with our clients' businesses. We know that it's the people who make the difference which is why we are Your Battery Specialists.

## SALES & SUPPORT

At Enirgi Power Storage we strive to partner with you in driving success for your business. The Enirgi Connect Sales & Support Centre is available to answer any query you may have. In addition to our local team members, the Enirgi Connect team can assist with all sales orders, used battery collections and product/technical inquiries.

Timely and accurate deliveries are critical in providing the best service to your customers. The team can work through the product range with you to deliver an optimal sales experience. Combining the functions of our local team members and Enirgi Connect ensure you get the right product for your customer when you need it!

## Australia's only full lifecycle battery partner

- ✓ Nationwide battery collection network of over 12,000 collection points
- ✓ World-class, modern facility in NSW recycles more than 97% of a used lead acid battery
- ✓ Only nationally EPA compliant used battery collection & recycling program
- ✓ Environmental accreditation ISO14001 collection network
- ✓ Full lifecycle partner convenience

## COLLECTIONS

As legislation addresses the processes surrounding used batteries, Enirgi Power Storage ensures safe, prompt and legal transportation of used batteries. Lead based batteries are processed in our own Australian EPA compliant recycling facility. Our team are ready to book your cost-free collections today.
